Subject Meeting Announcement
To Mr. Barrett Fountos

In preparation for the first session of the Bi-National Advisory Group for the BelAm and UkrAm Thyroid Projects, we plan to convene the first meeting with the American component of that group on the 8 March 1999. The meeting will be held in the Bethesda Holiday Inn, 8120 Wisconsin Ave, starting at 8:30 AM.

This will be our first chance to meet all the members of this group and brief them on our projects. Probably this will be the only meeting where we will advise them. The agenda for this meeting is attached. We would welcome you as an observer if time permits you to attend it.

Looking forward to seeing you .
